

Victorian Lever on Euro Lock Backplate

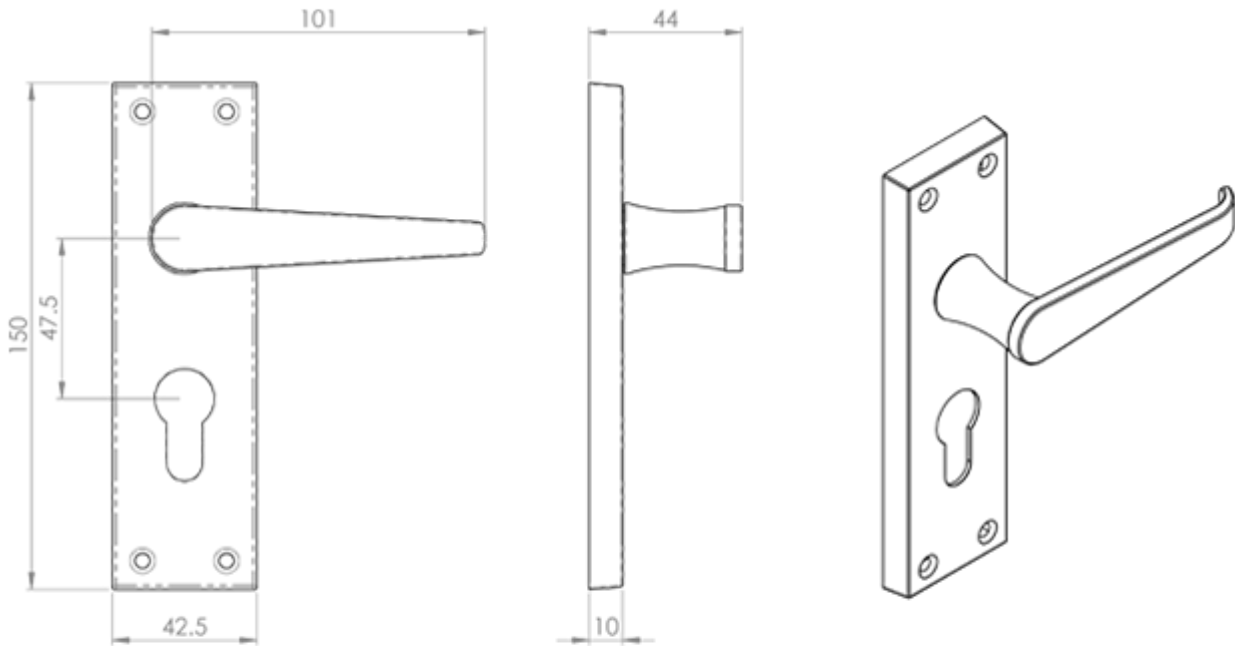

Product Images

Description

Lever on lock backplate. Euro profile 47.5mm c/c. A traditional Victorian styled handle on a plain rectangular backplate. A straight shaped lever which curves round at the end for easy ergonomic use. The heavy pattern design ensures that it will last for many years despite constant use in busy settings such as offices or restaurants. Comes with a 10 year mechanical guarantee and is Fire door rated.
