

Anchor GRANIT™ WBA 100

Page 1 of 1

Technology

- 16 mm thick shackle made of hardened special steel for maximum resistance
- Incl. mounting accessories

Operation and use

- The anchor can be used to secure two-wheeled vehicles in garages, cellars and houses
- The WBA 100 can be fixed to the ground or the wall. When combined with an ABUS lock, it offers the highest level of security

Tips

- After proper installation, this anchor can only be removed with considerable effort – use in rental properties must be checked
- Thanks to its flat design and the high-quality plastic cover, the WBA 100 can be driven over, for example, in the garage without any problems
- The WBA 100 is weatherproof and can be installed both indoors and outdoors
