

# Deadlock

D454

## D454 deadlock

ASSA ABLOY

### Application:

Deadlocks are suitable for swing doors in corridors and entrances, and as a secondary lock on any door.

Available with single cylinder and thumbturn, or alternatively with double cylinders or single cylinder only.

Uses Euro profile cylinders.

Supplied as standard with striking plate. Both square and round faceplates are available.

Key can be removed in locked or unlocked position.

For finishes and dimensions see Lockcases Information appendix.

When ordering please specify door thickness.

### Specification:

Double-throw deadbolt thrown up to 20mm by two 360° turns of key or thumbturn.

Available with 60mm backset.

### Standards:

Also available to special order with a stainless steel deadbolt, which meets security grade 4 of BS EN 12209.

### Finish:

Product has been successfully type-tested for conformity to BS EN 12209.

Regular audit testing is undertaken.
